

## PARKING AT RAMBOLL HEAD OFFICE

Kindly note that Ramboll's guests are invited to park at Ramboll's expense in the following areas, ref. markings on the attached map:

**(1)** or south **(2)** of Ramboll Head Office. It is also possible to park west of Field's shopping mall **(3)** (about 1000 parking spaces) and east of Field's shopping mall at Kay Fiskers Plads **(4)** (about 280 spaces). Kindly observe that it occasionally may be difficult to find free parking spaces, and we therefore recommend that you arrive in good time.

Ramboll Head Office is situated a few minutes' walk from the Ørestad Metro Station, the Ørestad regional station and S-busses ref. above mentioned map.

### Validation of parking tickets

Draw a ticket at the toll-bar and validate it in the machine in the reception (our receptionists will assist you). The payment is only valid for surface parking in areas mentioned above. Validation can be made 24 hours a day. Remember to validate your ticket before leaving Ramboll's office.
